## **THE PINK FLAMINGOS**

**The Pink Flamingos are one of the most successful, dynamic, and unique entertainment groups touring the United States and the world.**

**The group provides a wide range of music from elegant and classy dinner music to Broadway show tunes, music from the 50s, 60s, and 70s, not to mention the energetic music of today.**

**The Pink Flamingos want you to get involved. Their enthusiasm is contagious! Throughout their non-stop performance they will have you out of your seats, dancing the night away and for some up on the stage.**

**The "Pinks" combine audience participation with their choreography, outrageously original costuming, and the best of rock, R&B, disco, country, and contemporary music to produce an evening of entertainment that will be long remembered.**
