The program agenda is subject to change and refunds will not be given in the event of a cancellation or change. Please consult the final *Program Book and Exhibit Guide* onsite for event room locations, participants and additional information. ACA policy firmly restricts representatives of organizations who have not been assigned an official ACA exhibit booth space from soliciting business and from distributing promotional materials of any type within the Exhibit Hall area or within any other Conference areas. Further, those organizations which have been assigned an official ACA exhibit booth space must conduct all business activities and the distribution of their materials from within their assigned booth space and may not impede traffic through the Exhibit Hall aisles.
