November 4, 2022

Dear ACA Members:

Thank you for voting in the ACA 2022 General Election for Executive Officers, Board of Governors members, Commission on Accreditation for Corrections commissioners and members of the Delegate Assembly. The votes have been tallied and the results of the election follow this letter.

Please join me in congratulating our newly elected leadership and all of those who participated in this year’s election. As always, the support of our entire ACA membership is greatly appreciated.

While ACA relies heavily on its outstanding leadership in normal times, the anomalous and unchartered waters facing our world today call for nothing less than all of us to step up and exemplify the true servant-leader on which ACA has built itself for 152 years.

Thank you and stay safe!
